

SOUND CONSTRUCTION & SUPPLY, INC.

# Assembly Instructions

## TOOLS YOU WILL NEED

#2 Phillips Screwdriver

## PARTS INCLUDED

Four (4) 1/4-20 x 1 1/4 Pan Phillip's Screws per Rack, IsoBox™ or per Leg (Optional)

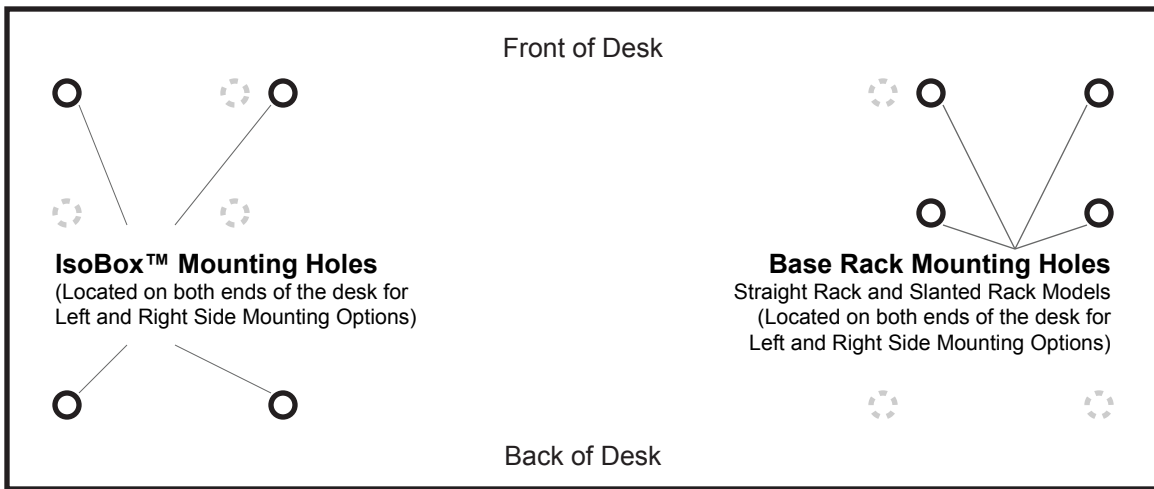

## SAFE HANDLING PRECAUTIONS

The desk pieces are heavy. Two person handling is recommended.

## 1 LOCATE DESK SUPPORT MOUNTS

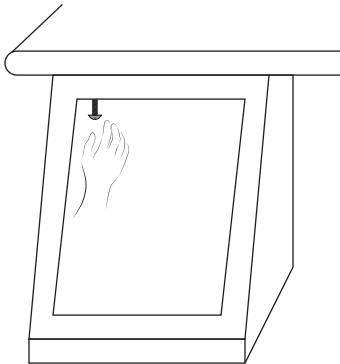

Your desk comes with prepared mounting options for Desk Legs, Base Racks and The IsoBox™. Locate the holes that align with your desk support options.

## 2 FASTENING THE HARDWARE

TIP:

- Begin with the front-outside corner, as this mounting hole is used by all support options.
- Finger tighten each 1/4" screw to ensure proper alignment *before* tightening with a Phillips screwdriver.

## 3 PLACING THE MIXING BOARD

TIP:

Slide the mixing board in from the back of the desk.
